-----------------------	--	---------------------------	----------------------------------

It was agreed that the Parish Council's original objection should be re-submitted to the Case Officer and Appeal Inspector and, in addition, background information and the following points included:

- There is considerable strength of feeling and no support for the application by local residents;
- Increased traffic will be inevitable because of the isolated position of the stable;
- This application, if approved, would set a precedent for development of stable buildings in isolated rural settings;

It was agreed that the P.C. comments should be copied to the Chief Executive, SDNPA and Planning Committee.

14/24 **DATE OF NEXT MEETING** – Monday, 14th April at 8.00 p.m.
