17/46 **EHDC PLANNING TRAINING** – The August training session held at EHDC had been attended by 4 members of the Planning Committee and all agreed that it had been a useful and informative event. In response to concerns that parish council comments are not given enough merit, Simon Jenkins assured councils that their local knowledge is much appreciated by Planning Officers and advised those concerned to ensure they read the Case Officer’s report which address the objections raised for each application. If parishes remain unconvinced, they should contact the Case Officer concerned to discuss the issue further.

A further workshop is to be organised for October to explain the new process for S.106 monies as the way this is managed is changing and will make it easier for parishes to access information.
