10/56 CORRESPONDENCE

- The Chairman said that he had received a request for a wake to be held in a marquee on the Common and wished to discuss this with Councillors before giving a reply. It was noted that the request was for a Friday afternoon and would therefore also need to be cleared with the School. Following discussion, it was agreed that on this occasion the request be approved, providing it was ok with the school and that the marquee be put up and taken down as quickly as possible. It was also suggested that a donation to the Church could be made.
- The Chairman said that he had met with Cllr. Parkinson to discuss the implications of the proposed Shipwright's Way through Steep. He passed round copies of a map showing the route and asked Councillors to inform him of any concerns a.s.a.p.
